

Mitzvah 613

Temple Beth Sholom

October, 2012

Dear Member,

On behalf of the Mitzvah 613 Torah Project Committee, we would like to wish you and yours a Happy and Healthy New Year.

Enclosed is the list of dedication opportunities. Please review it carefully and keep in mind that if you have a dedication idea that is not listed, you can contact one of the Fund Raising Committee members mentioned below to discuss this matter. If you wish to contact a clergy member to discuss a specific dedication, please call the temple office to make an appointment.

Our mission is to offer every member of the Temple Beth Sholom family the opportunity to fulfill Mitzvah 613, to write a Sefer Torah. Our hope is that in the fulfillment of this mission, our family members will be brought closer to Torah both physically and spiritually; and will be generous in their Torah dedications, so that we raise enough capital to eliminate our mortgage responsibilities, making us more financially secure. An investment in our temple is an investment in our future.

Sincerely,

Louis Naviasky, Pearl Halegua, Rose Schecter and Dorine Wulwick
