Dear Religious School Families:

Minyanim Services and Family Education programs are an integral part of the Religious School.

See Minyanim services/Shabbat Family Study opportunities listed in this brochure.

We look forward to celebrating Shabbat as a family & as a community.

We are proud to bring back our Shabbat & Holiday Family programs again this year which is especially geared to you!

We understand that with your busy schedules, making time for programs can be a challenge.

Therefore we have scheduled the Shabbat Family Experiences only once a month. However, there are other minyanim services available for you and your family.

Each Family Experience has a theme, engaging the students and their families in a “hands-on” interactive discussion about that topic.

Family Studies are also a mandatory part of your child's Religious School education.

We have a fabulous group of educators dedicated to this program.

Please mark your calendars & come join us at services & study, as we become a Kehillah Kedosha—a community of learners.

Sincerely,

Sharon Solomon
